

24®Game(Maths24) Integers (96 Cards) Ages 12 & up

Stock: Out Of Stock

Price: R664.58

Description

Integers (96-card deck) Object of the game is to make a positive number 24. You can add, subtract, multiply and divide. Use all four numbers on a card, but use each number only once. For added challenge, solve for negative 24. All cards can make both 24 and -24. Three levels of challenge.
